FRIDAY AFTERNOON OF MAY II:

CLASS 777: \$1000 Team Scurry: entry fee: \$100/team

TEAM SCURRY: .90-1.0

Eligibility: Open to Junior and Amateur Athletes.

Horse/ Rider Combinations may not compete at heights over 1.15m at the same event.

Declarations: Team Declarations must be made no later than 4pm one day prior to the day of the competition and must include the team order of go and the Team Name.

Attire: Coordinated Team Attire is encouraged. Otherwise, Proper Attire as defined by USEF Rules.

Teams: Each team will have TWO (2) horse/rider combinations plus ONE (1) Team Manager. All communications will be done through the Team Manager.

Class Conduct: Competition takes place over TWO (2) rounds. The course remains the same for both rounds.

Each round will be judged under USEF Jumping Rules Table A II.1. The TEAM will enter the competition arena

together. Each Team Member will navigate the course one after the other, scores are added together to determine the placings.

At the conclusion of the first round the order of go will be reset and the top six (6) teams will return in reverse order of qualification for the second round, the best qualifier coming in last. Each round will be judged independently. Regular jumping rules are in place. Each athlete must wait for the tone for their respective round.

Placings: Faults AND Time are added together to create a total team score. The winning team will be the team with the fewest faults and lowest team time over the two rounds. All other placings will follow the same. In the event of a tie for any placing, the total team time of the second round will break the tie. In the event the teams are still tied, the time from the second round of the quickest rider will break the tie(s). Substitution: In the event of injury or illness a Team Manager may substitute either a rider or a horse up to ONE (1) hour before the start of the competition. In the event of a substitution the team order remains the same.

Elimination: In the event an athlete is eliminated, in the first round the team is eliminated from the competition. In the event an athlete is eliminated in the second round the team is eliminated from the second round, however, the team score from the first round and therefore any possible placing remains in place.

PRIZE MONEY: 1st 30% / 2nd 22% / 3rd 15% / 4th 12% / 5th 11% / 6th 10%, r,r,r,r
