WTHJA ▣ 555 Dent Road Eads, TN 38028 ▣ 901-356-0605

WTHJA invites you to be a part of our future!

For over 40 years, the West Tennessee Hunter Jumper Association has been dedicated to promoting excellence in horsemanship, riding, training and competition throughout West Tennessee and the surrounding areas.

WTHJA strives to produce highly competitive and fun horse shows right in the heart of Germantown. WTHJA shows have developed a reputation as a welcoming experience for the entire family with a positive and supportive community of riders, spectators and business partners that share a passion for equestrian sport.

Our history has been impressive, and we are excited for a future that builds on that success. Please join us in making that future possible by becoming a sponsor today. WTHJA Hunter/Jumper shows draw top equestrians from Louisiana, Mississippi, Missouri, Arkansas, Alabama and Tennessee and many other surrounding states. With 6 separate shows in which to participate in these competitors along with families, trainers, staff, and spectators have a significant local economic impact on hotels, restaurants, shops, and vendors.

As a sponsor, the benefits of placing your brand and business in front of this dynamic group are tremendous. According to the United States Equestrian Federation, the average equestrian participant has a net worth of almost \$1 million and an average household income of \$134,000. Sixty-six percent of equestrians have at least a college degree, 56% are employed full time, and 80% make or directly influence purchasing decisions at work. Equestrians are active and mobile. They spend an average of 30 nights per year in a hotel, rent a vehicle four times per year, and 43% fly more than 16 times

per year. A WTHJA sponsorship offers you the opportunity to focus your marketing on this attractive equestrian demographic.

WTHJA offers several recognizable levels of sponsorship including Grand Champion, Champion, Reserve Champion, Blue Ribbon, and Red Ribbon. All levels of sponsors receive recognition on the on-site WTHJA donor banners, and sponsors will be announced daily during each show. Join us today in setting the course for continued success in the future of equestrian sport in the Germantown and Memphis area!
